CSUCI is a very special place and students get the very best of what our campus has to offer by living right in the center of it all - on campus in Anacapa or Santa Cruz Village. In addition to some of the newest and very best student residential facilities available, we offer a complete program with trained staff to support student success, relationship development, and full engagement in the CSUCI educational experience.

Rooted in the Dimensions of Development, the Residential Education team creates programs and events that encourage resident interaction, social growth, and personal development. We encourage all residents to join in the planning of events and provide many opportunities to do so. Students can participate in the leadership of their community by participating in one or more of the following activities or teams: Resident Assistant, Program Assistant, Desk Assistant, Resident Hall Association, Judicial Board, and event participation. We believe that through participation in these activities and teams that student learning is enhanced.

On-campus living at CSUCI is unique in concept and design. To maintain the architectural integrity of the campus, each residential complex has been designed to reflect the Spanish-style architecture of the original buildings on campus that date back to the 1930s. Unlike traditional campus housing, the University has constructed living arrangements that are tailored for today's academic-minded student who wants a quality living-learning experience. There are two distinctly different villages offering an array of amenities to enhance the student's University experience.

Santa Cruz Village

As the University's second phase of student housing, Santa Cruz Village (SCV) opened in fall 2007 and is home to 460 freshmen. SCV is comprised of two-bedroom, one bathroom, furnished semi-suites shared by four students. There are also a limited number of single rooms. Each suite has a storage area for items such as a personal microwave, refrigerator and food storage. SCV has excellent activity and co-curricular space for students such as a television lounge and two game rooms, an exercise room, ballet and art studios, sound-resistant practice rooms, and study and computer lounges. Each student room has cable TV and wireless Internet access. Students in SCV enjoy most meals at Islands Café but also have access to common-area kitchens for times when they would like to cook for themselves.

Anacapa Village

Reserved primarily for sophomores and upper-division students Anacapa Village (AV) is comprised of 87 four-bedroom, two bathroom apartments. These apartments are shared by four students, so each student has the privacy of their own bedroom. Each apartment is fully furnished and includes living and dining room furniture. AV also has a variety of common areas where students may relax or study. This Village is home to our swimming pool and hot tub, a regular gathering area for students. AV also has study rooms, computer labs and the Anacapa Commons, which is a large activity space and television lounge.

Off-campus housing information is available online at <http://csuci.och101.com/>. Listings of apartments and rooms for rent are on this site. Questions about off-campus housing should be directed to the Leadership, Career and Health office at (805) 437-8998.
