Parking Regulations and Services at CSUCI

University Glen (UG) Permits - University Glen permits are valid only in University Glen and are not valid for campus parking. Likewise, campus permits are not valid in the University Glen residential area.

University Glen Town Center – Parking in the Town Center is restricted to University Glen Town Center residents, Town Center employees, and Town Center customers only. Various color-coded parking signage has been posted to clarify such designations.

Student Housing (SH) Permit - The SH permit is only issued to students living in on-campus housing, and is only valid in the two (2) SH designated lots.

Other CSU Permits - All current and valid semester permits from any campus of the CSU System shall be honored in all “A” Lots. This excludes the daily parking permits.

Metered Parking - Metered spaces are available throughout the campus. These spaces are for individuals who have short-term University business (45 minutes or less). Meters are not to be used for class-instruction or while taking finals. Metered zones are enforced seven (7) days a week, 24 hours a day. Permits are not honored in metered spaces.

Restricted Parking - Holders of CSUCI “R” and “RV” permits are authorized to utilize the Restricted spaces located in Lot R/A. All unmarked spaces are available for general use. The restricted spaces in Lot R/A are available for general use Monday through Friday, 5:30 p.m. to 10:30 p.m. and all day Saturday and Sunday, unless otherwise designated.

Parking For Individuals With Disabilities - The D1 Lot and various parking zones are areas specifically designated for individuals with disabilities. These zones are identified with a sign bearing the international disability symbol. Vehicles parking in this area must display a valid CSUCI parking permit, and a valid DMV issued placard or plates or CSUCI complimentary disabled temporary permit.

Student Housing Parking - Parking for the Student Housing lots is determined on a first come, first served basis. Vehicles parked in any of the SH lots not displaying a SH permit will be cited, booted, or towed at

vehicle owner’s expense. SH permits are not valid in “A” Lots, restricted, maintenance or visitor designated parking.

Visitor Parking - Visitors may utilize designated visitor spaces in lots A1, A2, A5, A10 and R/A which are limited to 30 minutes or as signage permits. Visitors may utilize metered zones; however, metered rates must be paid. They may purchase a daily parking permit to park in general parking areas, or visitor parking may be sponsored in advance by a campus department or tenant.

Faculty Parking - There is designated parking for faculty in Lots A2, A5, A7, and A9, and additional parking is available in general parking spaces.

Student, Staff and Tenant Parking - Students, Staff, and Tenants may utilize all “A” parking lots. Signs located within or at entrances to parking areas indicate permits required.

Motorcycle Parking - Two and three-wheel motor vehicles may legally park within the designated parking areas in Lots A7 and A9 or any metered zone; however, metered rates must be paid. Signs indicating “Motorcycles Only” identify these spaces. Parking on the outside of any parking stall or parking in an incorrect way is prohibited and will result in the issuance of a citation with the possibility of tow away at the vehicle owner’s expense. Daily permits must be purchased from PPS.

Display of Permit – For Vehicles, permits must be displayed at all times. There are two (2) options for legal display of the static cling permit: 1) affixing the permit to the inside bottom-left corner of the front windshield (driver’s side); or 2) purchasing a permit holder from the bookstore and affixing permit to the holder hung from the rearview mirror. It is illegal to display a parking permit on any vehicle not registered with PPS as being authorized to display that specific numbered permit. Permits are non-transferable, unless you have registered with PPS as a carpool. Violation will result in a parking citation being issued and/or other corrective measures.

Display of Permit - For Motorcycles, permits must be permanently affixed to the front-right fender or fork or affixed to a lock that is attached to the front-right fender or fork of the motorcycle or moped.
